FINANCIAL DEPARTMENT.

Circular No. 1822, *dated 15th December* 1894.

To—The Heads of Departments.

The Comptroller has the honor to request that the Heads of Offices and Departments will be good enough to prepare their Budget Estimates of Receipts and Disbursements for 1895-96 and despatch them so as to reach this office not later than the 15th February next.

A revised form of the estimates has been prescribed, which provides for the provision of all Departments in the State, and it should invariably be used.

Copies of this form will be supplied from this office immediately on their receipt from the Press.

The submission to this office of estimates in the previous years was considerably delayed by several of the Departments, and in some cases they were not received until several reminders were sent therefor. The result of this was that the Consolidated Budget for the Province was delayed in submission to Government beyond due date. It is therefore particularly requested that the Heads of Departments will be so good as to see that the date fixed for submission of the estimates, *viz.*, 15th February, is strictly observed, to enable this office to submit the Consolidated Budget in time to Government.

Detailed instructions are given for the preparation of the estimates in the first page of the form, to which particular attention should be paid in preparing the Budget Estimates.

All references from this office relating to the Budget should be regarded as very urgent and disposed of promptly.

E. R. SUBRAYER, *Comptroller.*
